Height Adjustable Floor stand with rotation slot - 02

SPM146-02

A versatile floor stand and perfect for retail- hospitality- and entertainment environments. The SPM146 is height adjustable (680 mm to 1060mm) and complies with ADA legislation, ensuring accessibility for all.

The floor stand offers the option to use any of our top mount modules, including VESA 100/VESA 75, TabPOS TabTilt™ and SpacePole DuraTilt®.

Toolless assembly of the floor stand and internal cable management provide quick, safe and efficient implementation and minimal maintenance. When not in use, it can be folded away using minimal storage space.

The SPM146 floor stand is a stable, elegant, durable and very versatile solution that caters for all your needs.

Supports out top mount modules e.g. Arc for VESA 75 and VESA 100, TabPOS TabTilt™ or SpacePole DuraTilt® for versatile options
Adjusts from 680 mm to 1060 mm, providing flexibility to accommodate various user needs while enabling smooth screen rotation
