7000 ProSteam® 7 kg Washing Machine

L7FE7261BI

Introducing the sharp shirt defender
Integrated with other kitchen appliances, AEG's built-in washing machine makes less noise while providing absolute care. ProSteam® uses vapour at the end of cycles to reduce wrinkles while refreshing garments between cycles. Minimising the need for ironing and dry-cleaning for items like shirts.

Product Benefits & Features

Refresh and reduce wrinkles with ProSteam
ProSteam uses steam as a quick and easy way to refresh creased clothes so they're ready to wear. The short, gentle programme safely removes odours and reduces creases in dry fabrics. Or you can finish your wash cycle with a gentle steam so clothes need little to no ironing.

Customised cycles with ProSense Technology®
ProSense Technology® automatically weighs each load to provide a tailored cycle. Sensors then adjust washing times precisely, ensuring optimum treatment for every garment. Your laundry comes out with that fresh, new feeling every time, plus you save water and energy.

Softener reaches every fibre with SoftPlus
SoftPlus makes sure that softener reaches every part of the fabric when it enters the drum, it helps your clothes feel softer, silkier, and smoother than ever before

A quiet machine
for a comfortable home
The quiet washing machine ensures low noise levels when running a cycle. Minimising disruptions and maintaining a comfortable home.

Push Button Functions	On/off, Temp Selection, Spin Selection, Prewash, Soft Plus, Plus Steam, Delayed Start, Time Save, Start/Pause
Noise Rating (dB)	A
Dimensions (mm) (HxWxD)	819x596x540
Inlet Hose Length (cm)	150
Outlet Hose Length (cm)	145
Depth Max (mm)	553
Cord Length (m)	1.62
Motor System	Universal
Drum Volume (L)	52
Plug or Hardwired	UK Moulded Plug
Total Electricity Loading (W)	2200
Wheels/Feet	4 adjustable feet
Voltage (V)	230-240
Required Fuse (A)	13
Frequency (Hz)	50

Woolmark	801327023_woolmarkblue_ariellenor
Drawer Compartments	3
ProdPartCode	All Open
Series	7000
Connectivity	No
Spin Energy Rating	B
Remaining Moisture (%)	53.6
Energy Consumption per 100 wash cycles (kWh)	69
Noise (dB)	70
Eco 40-60 Programme Duration (Hours & Minutes)	3:20
Indicators	Temperature 5, Cold, Speed3, RINSE HOLD, NO SPIN, Quiet, Prewash, Soft plus, Plus Steam, Start/Pause
Drum Material	Stainless Steel
