EAN: 5705730421679

5 Years Warranty

Sandberg All-in-1 Inflator 150PSI is a smart and powerful electric air pump that makes it easy to maintain the right tire pressure on cars, motorcycles, and bicycles. It also handles balls and other inflatable gear with the included adapters. Choose the desired setting on the digital display and let the pump do the work for you. With a maximum pressure of 150 PSI and a rechargeable battery, you'll always have extra air on hand without needing a power outlet. The built-in LED light is handy in the dark, and the compact design makes the pump easy to store in the car or take on trips. No more hassle with manual pumping and searching for the nearest gas station!
