AEG

9000 SuperSilent Dishwasher 60 cm

GI9200X2PN

Superior cleaning and multi-functional baskets. Low water consumption
The 9000 series: Multi-functional, smooth-gliding baskets and holders to secure glasses and trays. Powerful cleaning removes baked-on or dried food residues while efficient water system uses as little as 8.4 L of water with the Eco cycle.

Product Benefits & Features

Multi-functional baskets: More loading options
EasyFlex Pro baskets glide smoothly, and all sections fold to maximise flexibility. Anti-slip rubber grips and spikes hold stemware and glasses in place and keep them from colliding. Cutlery drawer fits whisks, ladles and small cups.

SuperSilent: The whisper-quiet, 37dB dishwasher
With optimsed software and fine-tuned hydraulics, SuperSilent delivers the quietest performance on the market. At a whisper-quiet 37dB, it is so quiet you might not even know it's running.

Seamless integration with Push2Open door
With no visible handle, the Push2Open door seamlessly integrates your dishwasher with your kitchen cabinets. To open, just gently push on the upper middle part of the door.

4in1 FlexHolder for stemware or tall glasses – even oven trays.
4in1 FlexHolder in the lower basket has anti-slip rubber grips to firmly hold wine, champagne or tall glasses for thorough cleaning and to keep them from colliding. Even holds oven trays at the right angle to remove baked-on food.

SatelliteClean® Pro: Stubborn food residues, meet effective technology
The SatelliteClean® PROs double rotating spray arm efficiently delivers water from multiple angles. The result is 100% removal of stubborn food-residues in only 90 min without using extra water

- AirDry: The door opens automatically after the drying phase, ensuring dishes are perfectly dry every time.
- Sensor: Detects the level of dirt and adjusts the time, water and energy consumption.
- Delay start: Up to 24 hours.
- Indicator: Time remaining display.
- Upper basket: Height adjustable for extra flexibility.
- Interior light: For optimal visibility.
- Inverter motor: Yes
- Touch control.
- Connectivity: Control your washing machine via your smartphone or tablet.
- GlassCare option: Optimal cleaning and protection of delicate glassware.
