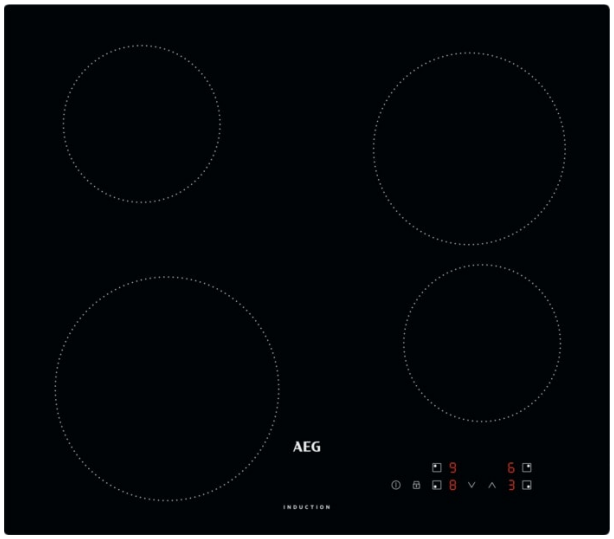
3000 Induction Hob 60cm

IBS6420SCB



Easy, responsive cooking that saves energy*
The 3000 induction hob heats the pan directly, delivering fast and accurate temperature response for easier, more precise cooking. Heat reacts instantly to your adjustments, helping you save energy* while staying fully in control.

*In comparison to radiant in accordance with international testing standard (IEC 60350-2) considering only boiling phase time

Product Benefits & Features

Save time and energy* with fast, responsive induction cooking
By heating the pan directly instead of warming a burner, induction hobs apply heat quickly and precisely where it's needed. Temperature control is immediate and accurate, helping you save time and energy* while cooking with confidence.

*In comparison to radiant in accordance with international testing standard (IEC 60350-2) considering only boiling phase time

Precise heat control with Touch Controls
The Touch Controls user interface is designed for effective temperature control. Simply select the zone and select the power level using the plus or minus buttons. Precision for every step of the recipe, always resulting in great taste.

The Booster Function gets pots and pans hot quick
The Booster Function rapidly gets pots boiling and pans hot. Helping you get a quicker start to cooking, so you can be finished cooking faster.

Precise settings. Protected with Key Lock
Activate the Key Lock feature to lock cooking settings. From the time to the temperature, everything can be set and secured. So there's no possibility of changing anything accidentally while wiping spillages from the surface.

Easy replacement: Induction hob fits existing countertop opening
Cook like a professional: The AEG Mastery induction hob is an easy replacement for your radiant hob, with no changes to your kitchen counter.

- PowerBoost: Gives an instant increase in temperature allowing water to boil in less than 90 seconds.
- OptiFix™: Only one step to install the hob.
- Child lock safety function.
- Residual Heat Indicators
