Air Duster

One 400 ml (13.5 oz.) Can

Part No.: 156141

EAN-13: 0766623156141 | UPC: 766623156141

Cleans delicate components without scratching or residue

Manhattan Air Duster is an ideal alternative to harsh and abrasive cleansers for electronics, computers, office and photography equipment and other devices and components that are difficult to reach or sensitive to touch. The button mechanism helps seal against leaks and provides accurate control and release of compressed streams. A convenient extension tube easily attaches to carefully direct air into hard-to-reach areas to gently remove dust and debris without scratching or leaving residue that can damage components and attract contaminants.

Features:

- Gently removes dust and debris from sensitive electronics without scratching or residue; contains no CFC, FCKW or CKW
- Ideal for use with flat-panel displays, notebook computers, keyboards, camera and projector lenses and more
- Easily cleans power supply units, coolers and fans for improved efficiency and performance
- Precise button control with extension tube to reach into small areas and
