Sandberg 2in1 Carbon Desk Pad XXXL combines two different surfaces in one large desk pad. The smooth PU surface with a carbon look provides a sleek base for your keyboard and other equipment, while the soft, water-resistant fabric surface is perfect for your mouse. This way, you get both practical surfaces and a striking design in the same desk pad. The large size of 80 x 40 cm offers plenty of space for your gear, and the non-slip underside helps keeping the desk pad stable on the table. The stitched edges provide a nice and durable finish.
