AEG

5000 Induction Hob 60cm

TN64IA00XB

Fast, powerful and precise. For efficient cooking
The 5000 Fast & Powerful induction hob with Powerboost heats twice as fast as a radiant hob. Efficient heating with immediate temperature response for seamless and precise cooking experience.

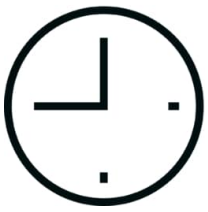
Product Benefits & Features

Heat even faster and more efficiently
Fast & Powerful induction hob ensures efficient heat. The temperature response is fast and precise, ensuring easier and more accurate cooking.

Hob2Hood®: The hands-free hood
The Hob2Hood® function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

Instant access and precise settings with Individual Touch Controls
With the Individual Touch Controls user interface, you can control each zone individually. Simply place your pot or pan on the hob and control the heat zone using the plus or minus buttons. For delicious results every time you cook.

Quicker heat for extra speed with PowerBoost
A blast of fast. No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat. PowerBoost is perfect for tasks that require you to boil a large pot of water quickly.



Hob timer. Built for precision
The built in hob timer can be set up to one hour, and will automatically power the hob down when it elapses. For effortlessly precise results.

- Hob2Hood®: Allows you to control the cooker hood via your hob.
- PowerBoost: Gives an instant increase in temperature allowing water to boil in less than 90 seconds.
- Pause functionality allows you to take short breaks without losing your cooking settings.
- OptiFix™: Only one step to install the hob.
- Child lock safety function.
- Minute Minder
