AEG

9000 LongFresh Integrated Fridge 176.9 cm

NK9CS181EC

Maximum preservation for key ingredients
The 9000 ZeroDegree Refrigerator offers precise food preservation with a separate LongFresh 0° compartment. Set the ideal conditions for meat, fish, or vegetables for longer-lasting freshness and optimal food quality.

Product Benefits & Features

LongFresh 0°. Maximum ingredient care
The LongFresh 0° compartment offers maximum protection for your key ingredients. Colder than the rest of the fridge, it's the ideal zone for finer produce. Customise to best preserve meat and fish, or fruit and vegetables.

Every corner. Thoroughly chilled. With Cooling 360°
Cooling 360° protects food quality with a steady temperature. Available in plastic, it prevents ingredients from freezing at the back by circulating cold air through multiple channels for even cooling throughout

Audible Door Alarm
The Door Alarm alerts you if your appliance door is left open for certain amount of time, so you can close it promptly.

New-era innovation. Unique fridge with recycled plastic
A new era of cooling is here. Introducing our fridge with an inner lining made of 70% recycled plastic. Plastic from discarded fridges is used to make new ones, helping reduce waste thorugh circularity.

*Inner liner rHIPS made with up to 70% recycled plastic representing 13% of total fridge plastic"

Soft-closing door for smooth and quiet closing every time
Accurately crafted soft-closing door hinges help to prevent an accidently open fridge door that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.

- Open door alert: Audible & visual.
- Coolmatic: Quickly chills large amounts of fresh food, preserving flavour, colour, and nutrients. Ideal for party food and drinks. Coolmatic automatically switches off after a set time, returning the fridge to its original temperature.
- Drawers on telescopic gliders
- Fixed door on door fittings: A cupboard door, matching your kitchen units, can be mounted directly onto the appliance door.
- Auto defrost: The refrigerator defrosts itself automatically, saving you the chore of doing it yourself - and it's energy efficient too.
- MultiFlow: Temperature and humidity is maintained and stable, with multiple air channels ensuring even cooling throughout the fridge.
- Designed and manufactured in Europe by AEG.

Product Specification

Series	9000	Fridge - Recommended Temp (°C)	4
Energy Rating	E	Net Weight (Kg)	67
Fridge Capacity (L)	274	Gross Weight (Kg)	69
Fridge Defrost Type	Auto		
Holiday Function	No		
Fridge - Number of Shelves	4 Full Width		
High-Temp Indicator Type	None		
Dimensions (mm) (HxWxD)	1769x557x549		
Minimum Ambient Temperature (°C)	10		
Noise Rating (dB)	B		
Fridge Light Type	1, Integrated to FanHigh, Internal. LED, With rise-on effect		
Main Colour	White		
Built-in Dimensions (mm) (HxWxD)	1780x560x550		
Installation Type	Built in Door on Door		
Door Hinge Position	Right & Reversible		
Cord Length (m)	2.4		
Frequency (Hz)	50		
Noise (dB)	35		
Annual Energy Consumption (kWh)	148		
Climate Class	SN-N-ST		
Product Number (PNC)	KR Open		
Plug or Hardwired	UK Moulded Plug		
Egg Trays	None		
Control Position	Top
