7000 SensiDry® Heat Pump 9 kg Tumble Dryer

TR729A4B

Gentle drying at half the temperature. No compromise on results.
The 7000 SensiDry® Tumble Dryer uses heat pump technology. It dries clothes evenly, at low temperatures, without extending the drying time. Gentle drying ensures items are never subjected to unnecessary heat, so your clothes last longer.

Product Benefits & Features

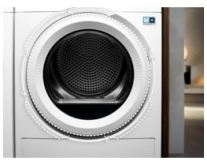
MIXDRY. NO SORTING. NO EFFORT. DRY COTTONS WITH SYNTHETICS
MixDry effortlessly and thoroughly gets synthetic and cotton garments evenly dried without overdrying or underdrying. No sorting needed. The heat-pump technology ensures items get the exact amount of heat, keeping energy consumption low.

Precisedry. saves time and energy. protects your clothes
The advanced humidity sensors of ProSense+ help save time and energy. They proportionally adjust the time and energy usage based on the load size. Providing the right care to every load, so clothes look and feel their best for longer.

*Tested with load of mixed cotton and synthetics up to 5kg.

EasyClean Filter. For long-lasting performance
Simplify your tumble dryer maintenance with the EasyClean Filter. Designed to open like a book, it traps lint inside for quick and easy cleaning. Your tumble dryer will operate smoothly, delivering great results and avoiding wasting energy.

Anticrease evenly dries your clothes, helping to reduce wrinkles
The Anticrease technology of our tumble dryer allows the drum to rotate in two directions, which helps clothes dry more evenly, and reduces creases and wrinkles.



The full reversible door offers four practical handle options
The Full Reversible Door lets you choose between four different door handle placement options. So, whether you stack your appliances on top of each other, or place them side by side, you can open the door in the direction that is best for you.

- Heat pump: Working like a refrigerator in reverse, it delivers outstanding energy efficiency—providing all the benefits of tumble drying at a much lower cost.
- Anti crease: Reduce ironing time with even, multidirectional drum rotation, ensuring even drying and fewer wrinkles.
- SensiDry®: Dries clothes evenly at lower temperatures with precise sensors, without extra time.
- PreciseDry: Advanced humidity sensors adjust drying time and energy use based on load size.
- Delay start option.

Product Specification

Drying Capacity (kg)	9
Dryer Type	Heat Pump
Program List	Bedlinen Xl Ita, Cottons, Delicates, Duvet, Easy Iron, Eco, Mixdry, Refresh, SportWear, Synthetics
Dimensions (mm) (HxWxD)	850x596x657(max)
Push Button Functions	+Anti Crease, DELAY START, Dryness, End Signal, ON/OFF, Start/Pause, Time Dry
Interior Light	None
Cord Length (m)	1.45
Drum Volume (L)	118
Drum Material	Stainless Steel
Depth Max (mm)	657
Voltage (V)	230-240
Required Fuse (A)	13
Frequency (Hz)	50
Door Hinge Position	Right reversible by user
Motor Type	Asynchronous
Optional Accessories	Stacking kit
Product Number (PNC)	All Open
Wheels/Feet	4 adjustable feet
Net Weight (Kg)	50.7
Gross Weight (Kg)	52.4
Total Electricity Loading (W)	550
Plug or Hardwired	UK Moulded Plug
Condensation Efficiency Rating	A
Included Accessories	Direct drain hose
Energy Rating	A+++
Annual Energy Consumption (kWh)	193
Noise (dB)	64
Main Colour	White
