HP EliteBook X G2q 14 inch Notebook Next Gen AI PC

Exceptional battery. AI-fueled. Light for leaders in motion.

Power through long days with exceptional battery life and HP Fast Charge[4]—no scrambling for outlets, no interruptions, with the thin and light HP EliteBook X G2q. Designed for today's business leaders who run AI apps[5] while they multitask on the road.

Work in the field, on the road, and in the moment

Get 50% battery power in 30 minutes with HP Fast Charge[4] and enjoy blazing-fast performance in an ultra-thin design.

Be seen. Be heard. Be the one they remember.

Join every meeting with confidence. Poly Camera Pro keeps you framed and distraction-free with smart background adjustments and spotlight.[5]

HP Wolf Pro Security Next Gen Anit-Virus

Rest easy with next-gen antivirus defense from malware and protection from credential theft.[6]

*Product image may differ from actual product

Sustainability in action

Designed with purpose

With over 80-percent of major parts[7] containing recycled materials[8], the ENERGY STAR® certified and EPEAT® Climate+ Gold registered[9] HP EliteBook X represents the latest in design from HP.

HP EliteBook X G2q 14 inch Notebook Next Gen AI PC

Featuring

Charge fast. Move freely. Lead confidently.
Stay productive with exceptional battery life and HP Fast Charge[4], delivering up to 50% power in just 30 minutes. Take advantage of onboard AI[3] and blazing-fast performance and advanced cooling all packed into a sleek, ultra-thin design.

Clear voice. Crisp visuals. Confident meetings.
Join every meeting with confidence. Poly Camera Pro[6] keeps you framed, focused, and distraction-free with smart background adjustments and spotlight. Four studio-tuned speakers and two studio-grade mics ensure you're heard loud and clear.

Future-ready security, and a smart design
Built for IT peace of mind—highly secure, manageable, and serviceable, with a top-mounted keyboard that's easy to replace the HP EliteBook X G2q is the premium AI PC that's easy to support and ready for anything.

Designed with purpose
With over 80-percent of major parts[7] containing recycled materials[8], the ENERGY STAR® certified and EPEAT® Climate+ Gold registered[9] HP EliteBook X represents the latest in design from HP.

HP Recommends Windows 11 Pro for business with Microsoft Copilot
Work anywhere without compromising on performance with Windows 11[1] and HP collaboration, security, and connectivity technology. Summarize and rewrite content, get relevant content recommendations, and stay organized with Microsoft Copilot.[11]

Lightning speeds
Ultra power-efficient Snapdragon® processors provide lightning-fast speed and optimal battery life. Choose either the Snapdragon® X2 Elite (18 and 12 cores) or the Snapdragon® X Plus (6 cores) platforms[2] with a Hexagon™ NPU and Adreno™ GPU.[4]

Stay connected with HP Go
Discover HP Go[12], the easy to set up 5G cellular solution[13] for your PC. Enjoy seamless, out-of-the-box connectivity for effortless communication, collaboration, and creativity that utilizes the strongest stable connection available.

Optimize PC performance
Work without distraction with HP Smart Sense[14] that keeps your PC whisper quiet under heavy workloads with consistent power and lets you enable performance mode when you need it most.

Easy battery management
Manage and monitor your battery's performance and condition and customize charging options with the easy-to-use HP Power Manager dashboard.[15]

Speed up the basics of IT management
Deploy the HP Manageability Integration Kit[16] to help speed up image creation and the management of hardware, BIOS, and security when managing devices through Microsoft Configuration Manager.

Transform IT from cost center to business accelerator
The HP Workforce Experience Platform (WXP)[17] empowers IT teams with AI-powered insights and workflow automation, reducing digital friction to increase employee satisfaction.

HP Wolf Pro Security Next Gen Anit-Virus
Rest easy with next-gen antivirus defense from malware and credential protection that ensures end users are not entering their user credentials into spoofed websites with HP Wolf Pro Security Next Gen Antivirus (NGAV).[18]

One touch powers the PC and logs you in
Power up and log in with a single touch of the power key that combines the power button with an integrated fingerprint sensor enhancing both security and convenience.[19]

Precision touch
Quiet and smooth, you'll feel the difference of the optional haptic touchpad[20] that provides customizable tactile feedback. Use different pressure levels to control features and gestures to automate actions all on a 100-percent clickable surface.

Collaboration through the NPU
Look your best on video calls and save some power too. Manage your video controls for internal and external cameras with Poly Camera Pro.[6] Now Framing, Spotlight, Background Blur, and virtual backgrounds save power running on the NPU.

Management features	HP Client Management Script Library (download)[21]; HP Cloud Recovery; HP Image Assistant (download)[22]
Power	HP 100 W wall mount USB Type-C® GaN power adapter; HP 65 W wall mount USB Type-C® GaN power adapter; HP 65 W USB Type-C® GaN power adapter[9,16]
Battery type	HP Long Life 6-cell, 68 Wh Li-ion polymer; HP Long Life 3-cell, 56 Wh Li-ion polymer[9,14]; Battery is internal. Serviceable by warranty. Fast charging 50% in 30 minutes.[15]
Dimensions	31.27 x 21.7 x 0.79 cm (minimum front); 31.27 x 21.7 x 1.31 cm (minimum rear); 31.27 x 21.7 x 0.8 cm (maximum front); 31.27 x 21.7 x 1.43 cm (maximum rear); (Front height measurement is near the front edge where the chassis bottom cover taper begins. Back height measurement is near the back edge where the chassis bottom cover taper ends.)[52]; Maximum Height: 1.71 cm
Weight	Starting at 1.1 kg; (Weight will vary by configuration. Does not include power adapter.)
Energy star certified	ENERGY STAR® certified
Certification and compliance	CSA/UL 62368-1; FCC/ICES/CISPR/VCCI; CE Marking; China CCC/SRRC; Taiwan BSMI/NCC; Korea KCC/KC/KES; Ukraine NSoC/TEC; EAEU Compliance; Saudi Arabian Compliance; Low Blue Light; WW RoHS; MIL-STD 810H
Sustainable impact specifications	At least 85% recycled metal; Product Carbon Footprint; HP paper-based packaging is from recycled or certified sources; At least 25% post-consumer recycled plastic; Low halogen; Bulk packaging available; External power supply 90% efficiency
TCO certified	TCO Certified, generation 10[64]
EPEAT registered	EPEAT registered configurations available[17]
Warranty	1-year warranty and 90 day software limited warranty options depending on country. Batteries have a default one year limited warranty. Refer to http://www.hp.com/support/batterywarranty/ for additional battery information. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc .

HP EliteBook X G2q 14 inch Notebook Next Gen AI PC

Accessories and services (not included)

HP Portable USB-C 4K HDMI Hub		Find more ways to connect, wherever you work, with this compact and reliable USB-C® 4K HDMI hub. Get five additional ports that support multiple devices and operating systems, and deliver power, so you can stay productive throughout the day. **Product number: BR1U0UT** [1] Power adapter not included. 90W or higher power adapter provides a maximum of 65W to the computer. 65W power adapter provides a maximum of 45W to the computer. [2] Actual throughput may vary.
HP Travel Plus 15L 14-inch Laptop Bag		Simplify your journey with one bag that meets all your travel needs. This durable, thoughtfully designed bag keeps you organized—from packing through the airport and beyond. Multiple compartments enable easy access for airport security convenience. **Product number: A2CE2AA** [1] Fits most laptops up to 14 inches. [2] Supplier tested for water resistance on exterior fabric coating.
HP 105 Sanitizable Mouse Pad		Elevate your space with an anti-slip, durable, sanitizable[1], and spill-resistant mouse pad. With effortless gliding and pinpoint accuracy, this minimalist mouse pad maximizes movement to make the perfect accomplice to your favorite mouse. **Product number: 8X595AA** [1] Select household wipes can be safely used up to 1,000 wipes. See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Clean Your HP Device Whitepaper (https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW) [2] Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT® standard.
HP 715 Rechargeable Multi-Device Mouse		Find the freedom to work how you want with programmable buttons, up to 90-day battery life[1], and a compact ambidextrous design. Stay productive from anywhere, on any surface, and with many devices with track on glass sensor and multi-OS connectivity. Work better with the freedom you want and the flexibility you need, all in one mouse. **Product number: 6E6F0AA** [1] Actual battery life will vary with use and environmental conditions, and will naturally decrease with time and usage. [2] Based on HP's internal analysis of mice that recharge using Micro USB or USB-C® with 6 or more programmable buttons using manufacturer software or app as of January 2023.

HP EliteBook X G2q 14 inch Notebook Next Gen AI PC

Footnotes

Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 11 is automatically updated, which is always enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com .
[2] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Qualcomm's numbering is not a measurement of clock speed.
[3] Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.
[4] Recharges up to 50% within 30 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
[5] ISV solutions are sold separately and may require a subscription and NPU.
[6] Requires HP app and Windows OS. AI Magic Background runs on the GPU when initially generating your background in Poly Camera Pro. The NPU is used for streaming your restyled background in your collaboration applications.
[7] Major parts do not include screws, cables, inner frame, SSD, memory, and sub PCBs.
[8] Recycled material is expressed as a percentage of the total recycled plastic and metal over the total weight of the product.
[9] Energy Consumption Meter requires Window 10 and registration for the Workforce Experience platform at https://admin.hp.com. Some features and capabilities may require additional purchase of HP services and/or commercial hardware capable of supporting the HP Insights agent for Windows, Mac, & Android. Activation and restrictions may apply. Select HP Workforce Solutions require an HP Insights agent for Windows, Mac, & Android, available for download at https://admin.hp.com/software. For full system requirements and services that require the agent, please visit https://admin.hp.com/requirements. The agent collects telemetry and analytics around devices and applications that integrate into the Workforce Experience platform and is not sold as a standalone service. Internet access with connection to the Workforce Experience platform is required. HP follows stringent GDPR privacy regulations, and the platform is ISO27001, ISO27701, ISO27017 and SOC2 Type2 certified for Information Security. Fleet management requires HP Proactive Insights.
[10] Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. EPEAT® status varies by country. Visit www.epeat.net for more information.
[11] Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. See aka.ms/copilotpluspcs. Copilot is NOT available in China, Russia, Belarus, and embargoed regions Cuba, Iran, North Korea, Crimea.
[12] HP Go is available as a separate subscription in North America, requires 5G and must be configured at the time of purchase on select HP commercial laptops and workstations.
[13] 5G module is optional. WWAN-ready configuration must be selected at purchase to add WWAN module at a later date (WWAN After Market Option Kit). Module designed for 5G NR SA(standalone) and 5G NR NSA (non-standalone) Public and Private networks including Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100Mhz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module includes embedded eSIM. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier and frequency bands supported.
[14] Smart Sense requires the HP app and Windows 11 OS. Features may vary by platform.
[15] Requires HP app and Windows OS.
[16] HP Manageability Integration Kit can be downloaded from http://www8.hp.com/us/en/ads/clientmanagement/overview.html .
[17] The Workforce Experience Platform (WXP) is available in various tiers and for multiple term license durations, and some features require optional add-on solutions. WXP is for commercial customers and some features and capabilities may require additional purchase of HP services and/or commercial hardware capable of supporting the HP Insights agent for Windows, Mac, & Android. WXP is ISO27001, ISO27701, ISO27017 and SOC2 Type2 certified for Information Security. Activation and restrictions may apply. Select HP solutions require an HP Insights agent for Windows, Mac, & Android, available for download at https://workforceexperience.hp.com/software. For full system requirements and services that require the agent, please visit https://workforceexperience.hp.com/requirements. The agent collects telemetry and analytics around devices and applications that integrate into the Workforce Experience Platform. Internet access required. HP Vyopta license required for audio and video collaboration technology monitoring. HP Anyware license or compatible third-party virtual machine license required for virtual machine monitoring. Print capabilities are available to select beta customers in the US only. Print is planned to be available in a future release in various tiers as an add-on solution in various term licenses.
[18] HP Wolf Pro Security NGAV one (1) year license is included on HP EliteBook Ultra G1q. The HP Wolf Pro Security NGAV software is licensed under the license terms of the HP Wolf Security Software - End-User license Agreement (EULA) that can be found at: https://support.hp.com/us-en/document/ish_3875769-3873014-16 as that EULA is modified by the following: 7. Term. Unless otherwise terminated earlier pursuant to the terms contained in this EULA, the license for the HP Wolf Pro Security NGAV is effective upon 4 months after the date the HP Product was shipped by HP and will continue for the term communicated to you at purchase and in your order confirmation email ("Initial Term"). At the end of the Initial Term you may either (a) purchase a renewal license for the HP Wolf Pro Security Edition from HP.com, HP Sales or an HP Channel Partner, or (b) continue using the standard versions of HP Wolf Pro Security at no additional cost with no future software updates or HP Support. Notwithstanding the foregoing, the license shall expire no later than one year after the fixed term the subject license ends.
[19] Requires Windows OS and setup through Windows Hello.
[20] Optional feature must be configured at time of purchase.

Specification Footnotes

[2] Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Qualcomm's numbering Is not a measurement of clock speed.
[3] Features and software that require a NPU may require software purchase, subscription or enablement by a software or platform provider, and third party software may have specific configuration or compatibility requirements. Potential NPU inferencing performance varies by use, configuration, and other factors.
[4] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 32 GB is reserved for system recovery software.
[5] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows OS, select processor, and a Wi-Fi 7 router, sold separately. Wi-Fi 7 is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.
[6] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
[7] 5G module is optional. WWAN-ready configuration must be selected at purchase to add WWAN module at a later date (WWAN After Market Option Kit). Module designed for 5G NR SA(standalone) and 5G NR NSA (non-standalone) Public and Private networks including Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100Mhz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module includes embedded eSIM. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier and frequency bands supported.
[8] USB 20Gbps speed is not available with Thunderbolt™ 4.
[9] Sold separately or as an optional feature.
[10] Resolutions are dependent upon monitor capability, and resolution and color depth settings.
[11] HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.
[12] Actual brightness will be lower with touchscreen or Sure View.
[13] All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
[14] For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
[15] Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.
