Ideal for those who want high-quality printing at home. Original HP cartridges are the right choice for printing in black or colour, for home, school or business.

HP Original cartridges are designed to make sure your HP printer consistently delivers sharp black text and stunning colour images and graphics. Printing is easy, and the value is outstanding. For even better value, use HP high-yield cartridges.

Get sharp black text and brilliant colour images.

Your documents in black and in colour will look exceptionally sharp and vibrant – and they'll remain that way for decades to come without fading.[1] It's another reason to make sure you use the ink that works best with HP printers: HP Original ink.

Count on getting impressive looking documents with razor-sharp blacks and brilliant colour, page after page.

Get consistently sharp text and vivid color with everything printed—reports, documents, photos. Everything.

When you use Original HP Inks, your high-quality photos last for decades when displayed under glass.[1]

Get user-friendly features and a great value.

Advanced, user-friendly features make printing easy and convenient. You can easily monitor your ink levels and even finish printing when low on one ink color. And the value is exceptional. For even better value, use HP high-capacity cartridges.[3]

Select from standard or optional Original HP high-yield ink cartridges to meet your printing volumes.[3]

It's easy to monitor ink cartridge levels using the convenient on-screen gauge, so you never have to run out.

Low ink alerts let you know if a new cartridge is needed so you can finish printing critical documents.

Print more pages and replace ink less often with high-yield ink cartridge options.[3]

Count on HP for an excellent printing experience.

You can always count on HP for an outstanding printing experience and for excellence that's easy to achieve. HP helps protect the environment with free cartridge recycling.[2] And ink alerts make it easy to never run out of ink.

HP 61 ink cartridges are built with recycled materials and can easily be recycled for free through HP Planet Partners.[2]
