## Why buy Original HP print cartridges

**Exceptional value:** Original HP print cartridges produce over twice as many printed pages as compared to remanufactured and refilled ink cartridges1.

Exceptional quality: Over 20 years of research and development have gone into the design of Original HP print cartridges to ensure that you get impressive and consistent print and photo quality every time.

Exceptional reliability: Newly formulated pigment inks are designed for business use and provide enhanced performance, reliability, and improved durability.

**Environmental commitment:** HP's Planet Partners Programme<sup>2</sup> ensures that Original HP print cartridges collected are recycled responsibly. All cartridges returned to the programme go through a multi-phase recycling process, and various parts are reduced to raw materials that can be used to make new metal and plastic products.

### Standard

Reliable ink for precise, everyday printing

Print more, save more with high-capacity cartridges

### HP Order-a-Cartridae

Order your genuine HP inkjet print cartridges through HP's Order-a-Cartridge\* service and have them conveniently delivered to your doorstep. Simply dial the toll-free number or order online at www.hp.com/apac/oac

## Choose HP papers for optimal printing results

## HP 120 Professional Paper (Matte)

Ideal for professional-quality, proposals, reports and newsletters

- Impressive image quality with vibrant colours and graphics
- Coated on both sides for two-sided printing
- Professional weight—heavier and more opaque

## HP Everyday Paper with ColorLok® technology Ideal for general office printing

- Prints dry faster with less smearing
- Documents with darker black for bolder text and richer, deeper greys
- Uniform, vivid and vibrant colour for impressive documents

## HP Officejet Pro 8500 Wireless All-in-One

Print	
Technology	HP Thermal Inkjet
Duty cycle (monthly)	Up to 15,000 pages
Resolution	Black-and-white: Up to 1200 x 1200 dpi;
	Colour: Up to 4800 x 1200 optimised dpi colour (on HP Advanced Photo Paper, 1200 x 1200 input dpi)
Printer Language	HP PCL 3 GUI
Print speed <sup>1</sup>

## Wireless versatility.

HP Officejet Pro 8500 Wireless All-in-One

Results of 3rd party testing, commissioned by HP done by TÜV SÜD PSB Ltd—2007 Reliability Comparison Study Asia Pacific. Ink cartridge tested 45, 78A, 56 and 57. Full report available at http://www.tuv-sud-psb.sg/reportdisclaimer.aspx

HP ink cartridge return and recycling is available in 42 countries and territories around the world, covering 88% of the addressable market; see www.hp.com/recycle for details.

Enjoy excellent savings with up to 50% less cost-per-page and energy use than 250-sheet input tray, 50-page automatic document feeder, and more,

# Buyers Laboratory Inc. Pick of the Year

Outstanding Business Inkjet Multifunction Printer

8.5 x 14-inch scanner glass

wasted on unwanted junk faxes

for expanded functionality

**Up to 50%** 

paper savings

3.45" touchscreen

colour graphics display

# Professional prints for less

- Print professional colour documents for up to 50% less cost-per-page and energy use than lasers.
- Economical individual ink cartridges let you replace each cartridge separately when it's needed. What's more, you can get more printed pages and fewer cartridge replacements with the optional high-capacity cartridges.6
- Save up to 50% on paper costs with automatic two-sided printing.

# **Professional** olour documents for up to and energy use than lasers¹

# Enhanced print permanence

- Print water-resistant<sup>3</sup> documents on plain paper, using newly formulated HP Officejet pigment inks.
- Enjoy archive-quality documents. Print vivid colour graphics and rich black text that retain its quality for decades when you use papers with ColorLok® technology.7

## Water-resistant<sup>3</sup> documents

with HP Officejet pigment inks

# High-speed productivity

- Print at speeds equivalent to a laser printer with up to 15 ppm black/11 ppm colour. Achieve faster speeds of up to 35 ppm black/34 ppm colour when using draft mode.8
- Share your all-in-one with up to 5 users on a network, using built-in Ethernet or embedded wireless 802.11 g.<sup>2</sup>
- Easily control your all-in-one functions with the intuitive 3.45-inch touchscreen colour graphics display.
- Spend less time reloading paper with the 250-sheet input paper tray.
- Fax, scan and copy two-sided documents unattended, using the 50-page Automatic Document Feeder.

# Total control at your fingertips

- Monitor the device and supplies status, control colour costs, and order supplies with ease through HP Easy Printer Care Software.9
- Install, configure, monitor, troubleshoot, and manage the device from anywhere on the network with HP Web Jetadmin print management software.
- Easily scan and store directly to a computer or memory card. Plus, with Direct Digital Filing, you can scan directly to a network folder or forward the scan as an email attachment—all without a PC.
- Send faxes directly from a desktop application and save incoming faxes to a PC or server.
- With HP Document Manager Software, you can easily retrieve, organise, and share documents electronically.

Device management made simple

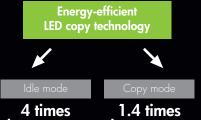

Greater efficiency with scan-to features

# Reduce your impact on the environment

- Reduce energy costs with an ENERGY STAR® qualified device that meets the U.S. Environmental Protection Agency's (EPA) strict energy efficiency guidelines.
- Save paper wastage with HP Smart Web Printing<sup>10</sup> which allows you to select and organise text and graphics from multiple web pages onto one printable page.
- Cleaner, more reliable, and energy-efficient LED copy technology in HP Officejet Pro all-in-ones consume 4 times less energy in idle mode, and 1.4 times less in copy mode compared to fluorescence tubes.

less energy

less energy

- Most industry-leading colour laser AiOs <US\$600, June 2008; for details, www.hp.com/go/officejet. OJ Pro ISO yield with highest-capacity cartridges based on printing; see www.hp.com/go/learnaboutsupplies. Energy use based on HP testing using the ENERGY STAR® program's TEC test method criteria.

- Based on HP internal testing, using papers with the Colorlock® logo.
   CompactFlash Type I and II; Memory Stick, Memory Stick Pro; Secure Digital (SD), High Capacity Secure Digital (SDHC), MultiMediaCard (MMC); xD-Picture Card; Conditionally supported: Secure MMC (encryption not supported); MagicGate Memory Stick (encryption not supported); Only by adapter: Memory Stick Pro; Secure Digital (SDHC), MultiMediaCard, RS-MMC/MMC mobile / MMC/microSD
   Stick Pro Duo, Memory Stick Micro (adapter not included, purchase separately); Reduced-size MultiMediaCard, RS-MMC/MMC mobile / MMC/microSD
- Requires caller ID service, not included. Price and service contract must be negotiated separately. Junk fax blocker available only in areas with caller ID services.
- Based on HP internal testing using a range of plain papers, including papers with the ColorLok® logo. For details, go to www.hp.com/gp/printpermanence Based on ppm measured using ISO/IEC 24734. Standard applies to inkjet and laser products and excludes first set of test document:
- 9 HP Easy Printer Care Software supports up to 20 HP devices, including most HP LaserJet devices and a wide variety of inkjet devices. See printer compatibility
