<sup>1</sup> Print speed might vary depending on the type of output.

<sup>2</sup> Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.

<sup>3</sup> Copy speed may vary depending on the type of output.

<sup>4</sup> Scan speeds vary according to complexity of the document.

<sup>5</sup> Power requirements are based on the country/region where the product is sold. Do not convert operating voltages or use with other voltages. Doing so might cause damage that would not be covered under HP's product warranty.
