

HP Matte Litho-realistic Paper 270 g/m²

An economical wood-free art paper that delivers exceptional print results with the look, feel and longevity of a heavy, matte offset paper. This natural-white paper is perfect for high-quality poster art and other cost-effective art reproductions.

- Similar look, feel and longevity to a heavy, offset matte paper.
- Enables short-run, litho-realistic production capabilities via inkjet technology.
- Maximum productivity, with outstanding quality providing maximum colour accuracy.

Business users such as print service providers for the graphic arts market, art reproduction houses and graphic artists who produce art reproductions, photo enlargements as well as tradeshow and event displays.
