

HP Self-adhesive Indoor Paper is a high quality white opaque self-adhesive paper with permanent adhesive. The paper's coating makes it perfect for full colour inkjet applications.

Companies that produce posters, presentations, POP and retail displays and banners. Print service providers, sign shops, graphic designers. Geographic Information Systems (GIS).

HP Self-adhesive Indoor Paper delivers excellent resolution, good colour saturation and superb edge definition. This high quality white opaque paper is ideal for self-adhesive posters and signs for a large variety of indoor applications.

HP Self-adhesive Indoor Paper has great handling characteristics with high mechanical stability and tear resistance. It is especially suited for mounting projects, as the need for mounting adhesives is eliminated.

HP Self-adhesive Indoor Paper is highly resistant to wiping and abrasion. The permanent adhesive and liner ensures easy installation.

HP Self-adhesive Indoor Paper

Compatibility

For compatibility information, please refer to the latest Large Format Supplies Compatibility chart on www.hp.com/go/designjet/supplies

For the latest ICC/media profiles, please visit www.hp.com/go/designjet/supplies (click on ICC profiles and select your printer). For non-post script printers see your external RIP vendor.

Product specifications

Weight	170 g/m ² per ISO 536 Test Method												
Thickness	7.1 mil/180 microns per ISO 534 Test Method												
Opacity	90% (without backing) per Tappi T-425 Test Method												
Whiteness	95 per CIE Ganz 82 Test Method												
Lamination	Hot lamination. Can be laminated with commercially available pressure-sensitive laminating films. Visit HP's website for more information on lamination partners at: www.hp.com/go/designjet/supplies												
Finish	Matte												
Adhesive backing	Permanent												
Operating temperature	15 to 35° C												
Operating humidity	20 to 80% RH												
Dry time	Less than 3 minutes (@23°C, 50% RH)												
Shelf time	2 years, unopened in original packaging												
Storage temperature	10 to 30° C												
Storage humidity	30 to 65% RH												
Country of origin	Product of Switzerland
