

HP 9085mfp printing supplies

HP Toner, black

The HP Toner Q5702C is especially designed for working with the HP 9085mfp, HP's new multifunction product for low volume production of monochrome documents in centralised print locations of medium to large businesses and enterprises.

Consistent print quality.

- HP Toner provides consistent print quality with polymerised toner technology to achieve sharper black text, defined half tones and solid fills.

Easy to use and maintain.

- The HP 9085mfp utilises supplies that are easy to install and simple to replenish without interrupting operations.

Designed for reliable HP performance.

- By using HP Toner with the HP 9085 mfp, you can expect proven HP printing system performance and results.

HP Toner is designed together with your HP 9085mfp for consistent print quality, seamless operation, easy replacement and great value.
