

BT8301

FULL SERVICE VIDEOWALL MOUNT

WITH MICRO-ADJUSTMENT

Designed to make videowall installations as simple as possible, this modular videowall mount can be used to create unlimited videowall configurations in both landscape and portrait format. The BT8301 has a low profile design which is ideal for mounting into walls with a shallow recess, a pop-out system enables a quick and easy access to the rear of the mounted screen for servicing and maintenance and +/-4mm micro-adjustment makes accurate screen alignment quick and easy.

SPECIFICATION

For screen sizes	42" - 70" (46" - 70" in portrait)
