

BT7876

MOUNTING PLATE FOR LENOVO™ GOOGLE SERIES ONE® VIDEOBAR ROOM KITS

The BT7876 is a dual speaker and camera mounting solution designed for Lenovo Google Series One Medium and Large Room Kits. The brackets attach directly to the mounting fixings on the rear of a screen and can be positioned either above or below the display. With adjustable speaker positioning, the BT7876 can be added on to an existing installation and is the ideal solution for any video conferencing installations using Lenovo Google Series One dual speakers.

SPECIFICATION

Max Load	10kg
Distance between speakers	100mm - 200mm
