

Epson M-190: 57.5mm, 5V, Standard Ribbon

Shuttle Impact dot matrix printer Mechanism

The M-190 series offers much better performance than the M-150 series. A dramatic improvement in printing speed brings new advances to applications such as CAT/EFT and measuring instruments.

High reliability

These printers also offer outstanding reliability for peace of mind.

Compact, lightweight

The series provides high performance in an ultra-compact, lightweight body and support for a wide variety of applications.
