W1B

Extended Wall-Mount Monitor Arm with Quick-Fix System

ARCTIC **W1B** is a 3 axis articulation monitor wall-mount offers easy adjustable screen angle - 360° rotation, 180° swivel and $\pm 15^\circ$ tilt. The ball joint design gives flexibility to perfectly position your monitor to reduce eye, neck, shoulder and back strain. It mounts closely to the wall and maximise your work area.

Compatible with monitor between 13" to 30", the two-piece direct mounting system allows quick installation with support up to 20 kg in weight.
