FUJITSU Accessory Keyboard KB410 USB

High quality functionality for office tasks

The Fujitsu Keyboard KB410 is a high quality and functional keyboard. With its space saving design it is a good solution for every workplace. The ergonomic key design allows fast and precise work. It is the perfectly reliable input device for all everyday office tasks when paired with either a desktop PC or another system with a USB interface.

Usability

- Connects easily to every PC via standard USB interface
- Slim and space saving design

Ergonomics

- Extraordinary flat and space saving design
- Stress free and effective use through high contrast keys and ergonomic key design
- Soft touch keys with slim key-technology
- Low noise

Modern production technology

- Abrasion-proof keys thanks to laser technology to write the keycaps
- Fully automated production line

Reliability

- High quality and function stability
- Highest quality coupled with very good price/performance ratio
