EMINENT & EWENT: our vision

The **technological innovation** is in continuous evolution and determines always more our everyday life and traditions. Tablet, mobile phones and PC are nowadays of common use and we would never imagine to live without them.

Unfortunately sometimes more devices means more complexity. **Eminent & Ewent's** aim is to create valid solutions for making the use of technological products easy and intuitive. The solutions we offer are created after considering not only **WHAT** a specific product can do, but **HOW** people use it.

FUNCTIONALITIES AND EASE OF USE

Whenever we develop a product, we have a **specific aim**. Every single **product has to be easy to use and to install**. Therefore we verify **HOW** most users use different products in their everyday, i.e. while they are playing a movie on their media player device or while they are installing a security camera. For the configuration and installation of products we offer a simple guide. Most of our products are supported by an **installation wizard** in order to complete the operations rapidly and without problems. Our **manuals** are simple written and will guide the users step by step through the installation and use of the product. Support is provided directly from the **Ewent & Eminent multilingual support centre**. We really believe in support!

NO SURPRISES!

Without considering the amount of time invested by our **technicians** for simplifying the products' interfaces, some technologies are too complex without a proper instruction manual. All manuals supplied by **Eminent & Ewent** are not only written by technicians. They are verified and tested by costumers without any technical knowledge. This is why our manuals can be easily consulted by anyone, from system administrators to inexperienced people. The **installation guides** follow the user through all the steps required to get the maximum benefit (from the product). As we said: no surprises!

REFINED AND INNOVATIVE DESIGN!

Our products do not only follow determined **quality standards**, they are also characterized by an attractive design. No exception for packaging: all packages are designed by a **creative team**. You can easily distinguish the category of an **Eminent & Ewent** product by its packaging colour. Design and image are important factors for increasing the selling of a product and we believe in the importance of **promotional materials**. Because of that, when it comes to the presentation and promotion of the Eminent & Ewent brand we offer all the support to our sellers. Do not hesitate to ask us for help!

5-year warranty | multilingual user manual | simple installation | accessible helpdesk

ALARM | Accessories

Wireless Door/ Window Contact

- Magnetic contact
- Low battery notification via the control panel
- Powered by 1 AA Battery (included)

CODE

EM8660

Dual Wireless Motion Detector

- Pet immune for domestic animals <25 kg
- Low battery warning
- Detection Range: 8 meters/ 110 degrees
- Powered by 2 AA Batteries (included)

CODE

EM8650

Wireless Vibration Detector

- The EM8665 sends a signal to the Wireless Alarm System once it detects any vibration
- 3 Sensitivity levels: High, Medium, Low
- Low battery indicator
- Powered by 2 AAA Batteries (included)

CODE

EM8665

Wireless smoke detector

- Loud internal 85dB Alarm sound
- Alarm System warns directly when smoke is detected
- Powered by a 9V battery

CODE

EM8690

Wireless Outdoor Siren with Solar Panel

- With Solar Panel for recharging the battery
- Loud Siren
- Strobe Flashlight
- Suited for outdoor use (IP44)
- Powered by 3.7V 1800mAh rechargeable lithium battery

CODE

EM8670

Wireless Siren with stand-alone alarm function

- Wireless Siren with strobe flash light
- Stand-alone alarm function: Supports up to 40 wireless accessories
- Back-up battery
- Powered via the power socket

CODE

NETWORK ADAPTERS | PCI

10/100/1000Mbps PCI network adapter

- High-speed wired networking
- Data transfer speeds up to 1000Mbps
- Extremely reliable and stable

CODE

EM4028

10/100/1000Mbps PCI-e network adapter

- High-speed wired networking
- Data transfer speeds up to 1000Mbps
- Extremely reliable and stable

CODE

EM4029

HDMI extender set 30m dual CAT5e/6

- Extend your HDMI connection with a maximum of 30 meters
- Including infrared and 3D support
- Suitable for use with two CAT5e/6 UTP cables
- Compatible with HDMI High speed

up to 30mt 3D Full HD

CODE

AB7810

HDMI extender set 60m single CAT5e/6

- Extend your HDMI connection with a maximum of 60 meters
- Including infrared and 3D support
- Suitable for use with one CAT5e/6 UTP cable
- Compatible with HDMI High speed

up to 60mt Single LAN IR Set 3D Full HD

CODE

AB7811

1 x 4 HDMI over CAT splitter

- Display 1 source on 4 different screens with a distance up to 50 meters
- Splitter with built-in extension
- For use with AB7813 HDMI receiver

- Suitable for use with CAT5e/6 UTP cables
- Compatible with HDMI High Speed

up to 50mt up to 4 screens 3D Full HD

CODE

AB7812

HDMI CAT receiver

- HDMI receiver for use with AB7812
- 1x4 HDMI splitter
- Maximum (3D) resolution: 1080p @ 60Hz
- Suitable for use with CAT5e/6 UTP cables
- Compatible with HDMI High Speed

CODE

AB7813

HDMI repeater 40m, 3D support

- Extend the HDMI connection with a maximum of 40 meters
- Maximum (3D) resolution: 1080p @ 60Hz
- Compatible with HDMI High Speed

up to 40mt 3D Full HD

CODE

AB7814

1 x 4 HDMI splitter, 3D and 4K support

- Display 1 source on 4 different screens
- Maximum 4K resolution: 3840x2160 @ 30Hz
- Maximum (3D) resolution: 1080p @ 60Hz
- Compatible with HDMI High Speed

4 monitors 3D 4K

CODE

AB7815

4 x 1 HDMI switch, 3D and 4K support

- Display 4 sources on 1 screen
- Remote control for switching between the different sources
- Picture-in-Picture (PIP) support
- Auto input sensing: switches automatically to the available source
- Compatible with HDMI High Speed

4 sources 3D 4K

CODE

AB7816

2 Port KVM Switch USB with Audio

- 2 port KVM switch USB and Audio
- High resolution (max. 1920 x 1440)
- Switching through hot-key commands
- Suited for all operating systems
- Cables included

CODE

EM1037

Dual display docking station USB 3.1 Gen1 (USB 3.0)

- Connect up to 2 full HD screens (2048x1152) to your Notebook via the HDMI, DVI/VGA port
- Connect a Notebook to all peripherals with only one USB cable
- Add 6 extra USB ports to your Notebook: 4x USB 2.0 on the rear and 2x USB 3.1 on the front
- USB 3.1 Gen1 (USB 3.0) cable, DVI to VGA adapter and power adapter included
- Vertical placement for saving space on your desk and better access to all connections
- Gigabit LAN port, microphone and headphone connections

CODE

EM1500

4 Port Switchbox USB 2.0

- Switchbox USB 2.0 to share one USB device with four computers
- Driverless solution
- Selection button to switch between the connected computers
- Compatible with all USB devices
- Suited for all operating systems

CODE

EM1019

UPS

Line Interactive UPS with AVR

- Fitted with serial RS232 and USB cable interface with software
- With telephone line surge protection
- Audible alarm during voltage drop and backup time of 10 minutes for 1 PC
- Wide range of input voltage from 165 VAC to 275 VAC
- Input: 1x IEC C14
- Output: 3x IEC C13, 2x RJ11, 1x RS232, 1x USB
- Dimensions: 95x315x143 mm

USB + RS232 Monitoring Software

CODE

EM3980	600VA 360W
EM3982	1000VA 600W
EM3984	1600VA 900W

Line Interactive UPS with AVR

- AVR function to stabilize the input voltage
- Line Interactive technology
- Output socket with blackout protection
- Output sockets with short circuit protection
- Dimensions: 160x326x100 mm

AVR

CODE

EW3941	720VA 360W
EW3942	1000VA 510W
EW3943	1200VA 600W

Line Interactive UPS 650 VA with AVR and Schuko

- AVR function to stabilize the input voltage
- Line Interactive technology
- Status LEDs and Sound alarm during power failure
- Back up time of approximately 8-20 minutes (depending on the load)
- 2x Output sockets with power failure and surge protection
- 2x Output sockets with surge protection
- Dimensions: 185x280x96 mm

Schuko AVR

CODE

EW3940	650VA 390W

ATX

Professional Power Supply 500W

- 12 cm fan with an increased flow of air
- Reduced noise level
- ATX v2.3
- Support processors of latest generation
- Connectors: 1x MB connector: 20+4pin, 1x P4 connector 4pin +12V, 3x Molex, 3x SATA, 1x FDD

CODE

EW3900

Professional Power Supply 500W with PFC

- 12 cm fan with an increased flow of air
- Reduced noise level
- ATX v2.3
- Passive PFC for better power saving and extended longevity
- Support processors of latest generation
- Connectors: 1x MB connector 20+4pin, 1 x P4 connector 4pin 12V, 3 x Molex, 3 x SATA, 1 x FDD

CODE

EW3901

Professional Power Supply 600W with PFC

- 14 cm fan with an increased flow of air
- Reduced noise level
- ATX v2.3
- Passive PFC for better power saving and extended longevity
- Support processors of latest generation

- Connectors:
1x MB connector 20+4pin, 1 x P4 connector 4pin 12V,
3 x Molex, 4 x SATA, 1 x FDD

CODE

POWER INVERTER | For Car

150W Power Inverter 12V to 230V

- 12 Volt DC to 230 AC Volt Power Inverter
- Plugs straight into your cigarette lighter
- USB charging port for Phone or MP3/Media player
- 150 Watt output power

CODE

EW3991

CHARGERS | For Notebook

Universal Netbook automatic Charger

- Multi-functional charger with automatic voltage selection and 8 different Tips
- Suitable to charge netbooks and other equipment
- With over temperature protection, over voltage protection, over current protection, short circuit protection
- Stops charging when the battery is full

CODE

EW3964	40W
EW3965	70W
EW3966	90W
EW3967	120W

SAFETY PROTECTION

The Ewent adapters have a fourfold intelligent protection system, that protects against over heating, over voltage, over current and short circuits.

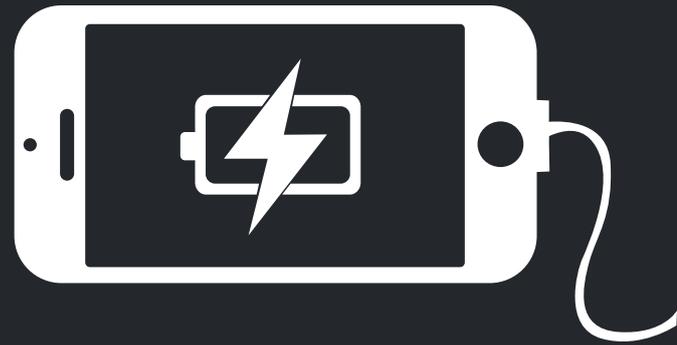

FREE TIP SERVICE

To support most common notebooks, 9 or 8 tips are provided with the Notebook charger by default. We have a free tip service to support more notebooks.

Check our website www.ewent-online.com for more information

SMART & QUICK CHARGING

CHARGE YOUR SMARTPHONE
IN 30 MINUTES WITH THE NEW

**USB QUICK
CAR CHARGER** EW1230

Universal Wireless Charging Pad

- Experience freedom by wireless charging
- Suitable for Qi smartphones
- Charging indicator
- Including micro USB charging cable
- Compact and stylish design

Wireless

CODE

EW1190

CHARGERS | USB

4-Port Smart USB AC Charger, 30W

- Charge 4 tablets or smartphones at the same time with only one charger
- Smart USB charger: automatic self-output power adjustment
- With over temperature protection, over voltage protection, over current protection and short circuit protection

- Charging stops automatically when battery is full
- Worldwide applicable: 100-240V AC input
- Max Power 30W

Smart IC

CODE

EW1216

4-Port USB AC Charger, 12.5W

- Charge your tablets and smartphones at the same time with only one charger
- Four USB charging ports of which 1 USB port is equipped with a quick charge function
- Smart USB charger: automatic self-output power adjustment

- Quick charge function for charging your Tablet or Smartphone faster
- Easy to take along or to store by its foldable plug
- Worldwide applicable: 100-240V AC input
- Max Power 12.5W

CODE

EW1217

2-Ports Smart USB AC Charger 2.4A

- Charge 2 tablets or smartphones at the same time with only one charger
- Smart IC charging system: automatic self-output power adjustment
- Charging stops automatically when battery is full

- With over temperature protection, over voltage protection, over current protection and short circuit protection
- Worldwide applicable: 100-240V AC input

Smart IC

CODE

EW1232

2-Port USB AC Charger, 2.1A

- Universal charger for wall socket with 2 USB ports
- Charge all your mobile device via USB
- For charging one Tablet or two smartphones at the same time
- White AC Charger: perfect for any home environment
- Max Power 2100 mA

CODE

EW1210

2-Port USB AC Charger with power socket, 3.1A

- Charge up to 2 USB devices at the same time directly via wall power socket
- Compatible with Tablet, Smartphone or any portable device that charges via USB
- Wall outlet still available thanks to the integrated power socket
- Charging stops automatically when battery is fully charged

CODE

EW1211

Home Charger with Lightning connector, 2.1A

- Home charger for charging safely and rapidly iOS devices with Lightning connector
- Max Power 2100 mA

CODE

EW1213

MCI Certified

USB AC Charger, 1.0A

- Compact Charger for wall socket
- Compatible with Smartphone or any portable device that charges via USB
- Ideal for travel: lightweight, compact design takes up limited space in your bag
- Max Power 1000 mA

CODE

EW1209

USB Car & AC Charger Kit, 1.0A

- Home compact and stylish charger
- Micro Car Adapter with thin profile
- USB port for quick charge
- White AC Charger: perfect for any home environment
- Black USB car adapter: suitable for attractive car interiors
- Max Power 1000 mA

CODE

EW1205

2-Port USB Car & AC Charger Kit, 2.1A

- Home compact and stylish charger with 2 USB ports
- Micro Car Adapter with thin profile with 2 USB ports
- USB ports for fast charging
- White AC Charger: perfect for any home environment
- Black USB car adapter: suitable for attractive car interiors
- Max Power 2100 mA

CODE

EW1206

3-Port USB Car Charger, 4.8A

- Charge 3 tablets or smartphones at the same time in the car with only one charger
- Smart IC charging system: automatic self-output power adjustment
- 12V – 24V: Suitable for both cars and trucks

- Charging stops automatically when battery is full
- With over temperature protection, over voltage protection, over current protection and short circuit protection

Smart IC

CODE

EW1202

USB Quick Car Charger, 2.4A

- Charge your Tablet or Smartphone in the car
- Quick Charge 2.0 support: charge up to 75% faster, 0-60% in only 30 minutes (for devices with QC 2.0 support)
- Charging stops automatically when battery is full
- 12V – 24V: Suitable for both cars and trucks

- With over temperature protection, over voltage protection, over current protection and short circuit protection

75% Faster

Quick Charge 2.0

CODE

HUB | USB 3.1 Gen1 (3.0)

3-Port USB 3.1 Gen1 (USB 3.0) Hub with Gigabit network port

- Add 3 USB ports and one Gigabit Network port
- Backwards compatible with USB 2.0 specifications
- Compliant with 10/100Mbps specification
- Supports USB SuperSpeed (5Gbps)

CODE

EW1140

4-Port USB 3.1 Gen1 (USB 3.0) Hub Type-C

- USB 2.0/3.1 Gen1 peripherals on your Type-C device
- Plug and play on every Type-C port
- Compact design and light-weighted: easy to take along
- No additional power supply needed
- Supports USB SuperSpeed (5Gbps)

CODE

EW1135

4 Port USB 3.1 Gen1 (USB 3.0) Hub

- Supports USB SuperSpeed (5Gbit/s) and High-Speed USB 2.0
- Compliant with USB specification 3.1 gen1 (USB 3.0), backwards compatible with USB 2.0 and USB 1.1
- 4-port USB Type A Female
- Including Power adapter

CODE

EW1134

4 Port USB 3.1 Gen1 (USB 3.0) Hub

- Supports USB SuperSpeed (5Gbit/s) and High-Speed USB 2.0 (480Mbps)
- Compliant with USB specification 3.1 gen1 (USB 3.0), backwards compatible with USB 2.0 and USB 1.1
- 4-port USB Type A Female

CODE
