CHIEFTEC

NEW A-135 SERIES
APS-1.000CB // MODULAR // 1.000WATT

Product:	PSU
Form factor:	PSII
Color:	black

Smart cable management and the valuable 80 PLUS Bronze certification make the new A-135 series outstanding. Certainly the high quality components support already today the new generation of Intel processors with minimum load > 0.05A. The quiet and stress-free working environment can be realized by the 140mm fan.
