

Highly compatible with your budget

S19E200BR

19" desktop monitor

Doing business with greater value is the whole idea behind the Samsung SE200 Series monitors. An extremely budget-friendly monitor ideal for everyday tasks, the Samsung S19E200BR features a 5:4 aspect ratio, which is perfect for viewing legacy applications. It also features approximately 30% recycled material, less than 0.1W Off Mode power consumption, and a simple and easy-to-use design, all at a reasonable cost. Rounding out the features are a low-glare commercial-grade TN panel, VGA and DVI connections, a matte black bezel with clearly labeled buttons, speaker bar compatibility, VESA mount compatibility and a 3-year warranty. The Samsung S19E200BR. When it comes to business value, it's simply brilliant.

Key features

5:4 aspect ratio

The S19E200BR fits comfortably on a desk, and its 5:4 aspect ratio is perfect for viewing legacy applications.

Environmentally friendly

Industry-leading features include approximately 30% recycled material, less than 0.1W Off Mode power consumption, Eco features to reduce power consumption when monitor is in use, and fully recyclable packaging.

Impressive picture quality

The LED-backlit LCD screen delivers sharp, bright, beautiful images. Mega infinity dynamic contrast ratio ensures subtle detail even in the lights and darks, and MagicAngle technology delivers improved color even when viewed off-angle.

Slim design that fits any desk

The sleek, stylish design and low-profile stand take up less desk space and contribute to a cleaner-looking office. The built-in cable management feature also contributes to a clutter-free work environment.

Easy on the eyes

When Eye Saver Mode is active, blue light levels are lowered, for reduced eye strain during long work hours. Flicker-free technology adds further viewing comfort by eliminating flickering at all levels of brightness.

Speaker bar ready

The Samsung SPU10 (sold separately) is designed to be attached seamlessly to the back of compatible Samsung monitors. It adds rich stereo sound without taking up an inch of desk space.
