DESCRIPTION

The Essential Laptop Bag from V7 is the perfect choice for an economical, stylish laptop carrier. The clean, modern design of the bag is simple yet refined, plus it has a detachable shoulder strap and is lightweight, making it easy to carry wherever you go. The Essential Laptop Bag features solid construction, so you can be sure it will protect your laptop while you're travelling. The bag also features a handy Velcro-secured outside pocket to store your accessories and an inside pocket to store documents and files.
