

PHILIPS

Fryer

1300 g metal

removable bowl

With timer

HD6161

Professional results

with optimal temperature control and timer

This sleek, stainless steel deep-fat fryer delivers professional results with a unique cool zone system that prevents food particles from burning and keeps the oil cleaner for longer. All parts except the control panel are dishwasherable.

Cool zone system for cleaner, longer-lasting oil

- Prevents food particles from burning for cleaner and tastier frying

Optimal temperature control

- Electronic thermostat: fast heating and stable temperature

Quick and easy cleaning

- All parts except the control panel are dishwasherable
- Removable inner bowl for easy oil pouring

Easy to experience

- Extra large capacity for family-sized servings
- The digital timer allows pre-setting of frying time
- The dishwasherable filter reduces unwanted frying smells

Safe to use

- On/off switch for additional safety

Highlights

Cool zone system

Prevents food particles from burning. This keeps the oil cleaner, which is better for your health, and longer-lasting. Your food has never been tastier!

Electronic control panel

Optimal temperature control thanks to the electronic thermostat, for quick heating up and temperature recovery, leading to professional

frying results. The digital timer allows easy pre-setting of the frying time: you don't have to keep an eye on your food anymore!

Dishwashable parts

All parts except the control panel are dishwasherable for quick and easy cleaning.
