Universal Smartphone Car Mount

Solid car mount for your smartphone

DESCRIPTION

When using your smartphone for navigation in your car you need to have a good view on the screen. Use the TakeIT Universal Smartphone Car Mount to secure your smartphone in the car and navigate hands free. Place the Car Mount easily in the car's air vent. The smartphone will be solidly secured thanks to the anti-slip coating and metal clip system. It is possible to turn the mount 360° to get an optimal view.
