

HP Privacy Filters Designed by 3M

Protect your data

Work incognito with custom-fit HP Privacy Filters Designed by 3M, which help prevent the visual hacking of corporate and personal data on your HP Business Notebook and maintain all of your touch interactivity.

For your eyes only

Keep your onscreen content to yourself with a filter that inhibits people nearby from getting a direct view of your HP Business Notebook's screen.

Tap and touch

Retain the use of your device's interactive touchscreen features.

Easy on and off

Apply and remove the filter as needed with reusable adhesive corner tabs; no cutting or resizing required.

World-class support

Get the reassurance of a one-year limited warranty.
