PTS 1220 TabLock for Samsung Galaxy Tab S2, home button hidden

Made out of high quality aluminum and steel we designed a stylish and slim enclosure which protects the Galaxy Tab in public environments. The Secure TabLock enclosure can be mounted directly to the wall, or via de VESA 100x100 mm mounting holes to any Vogel's VESA compatible mounts. Quick and easy opening of the secure TabLock enclosure is possible thanks to the new unique locking mechanism using a key and lock.

Third party software can be used to switch on/off the home and menu buttons.

Vogel's Professional regularly develops new Tablocks, please check our website for the latest information.

Features

- Home button hidden
- Horizontal and vertical mounting
- Lock included
- Perfect for digital signage
