

Name: **Schuko Socket With Overvoltage Protection**
Manufacturer: **Techly**

- Electrical outlet with surge protector
- Allows you to protect the devices from surges such as lightning
- Integrated child protection to prevent accidental contact
- Operating LED Provided to indicate the presence of voltage

Features

- LED indicator
- Plug and socket Schuko
- Input 250V 50-60Hz
- Maximum power 3500W / 16A
- For internal use
- Operating temperature: -10° + 40°
- Child Protection
- White color

Dimensions

- Height: 77.2 mm
- Width: 51.3 mm
- Depth: 76 mm
- Weight: 77 g

Certifications

- EC
- FCC
- RoHS
- WEEE

Package Contents

- Socket with lightning / surge protection
 - User manual
