

WorkForce Pro WF-8590

DTWFC

Seamlessly integrating into medium to large enterprises, this multifunction printer cuts costs and environmental impact, and reduces intervention.

A small to medium workgroup A3+ multifunction printer, perfect for business environments that have traditionally used lasers and want to increase productivity and reduce downtime and waste. Epson's clean technology helps create a more environmentally friendly workplace, and PDL printer emulations and Gigabit Ethernet are ideal for enterprise integration.

Low TCO printing

Take advantage of a low Total Cost of Ownership (TCO), and print up to 7,000 colour and 10,000 mono pages¹ using easy-to-change, high-capacity DURABrite Pro ink cartridges.

Ecological

Uses up to 80% less power than competitive colour lasers² thanks to the no heat technology. No ozone gas is emitted, and an improved quiet print mode and no fan noise during or after printing make it ideal for the workplace. And there are fewer parts to replace than a laser.

Enhance productivity

Print at up to 34 pages per minute (ppm) in both colour and mono, with ISO print speeds of 24 ppm for both³. The WF-8590DWF delivers automatic double-sided A4 and A3 printing for eco-friendly and business-quality results, and features one-pass duplex scanning and a 50-sheet Automatic Document Feeder. Scalable optional paper trays take its maximum capacity to 1,831 sheets.

Built for business

Epson's PrecisionCore technology powers the output quality and reliability at the speeds required for both office and industrial printing. A smartphone-like 12.7cm colour touchscreen is easy to use, while scan-to functions, including Microsoft SharePoint⁴, and LDAP address book compatibility make it ideal to share documents. Also securely print using a PIN code to release confidential documents, or use Email Print for Enterprise⁵ to securely send documents directly to the multifunction printer.

DATASHEET

KEY FEATURES

- **Low TCO A3+ business multifunction**
Multifunction printer with scalable paper trays
- **Ecological**
Uses up to 80 percent less power than competitive colour lasers
- **Built for business**
Scan-to functions, LDAP address book support and PDL emulations
- **PrecisionCore technology**
Epson's most advanced printhead technology
- **Enhance productivity**
Automatic double-sided printing, scanning, copying and faxing

PRODUCT SPECIFICATIONS

TECHNOLOGY

| | |
|----------------------|--|
| Printing Method | PrecisionCore™ Print Head |
| Minimum Droplet Size | 3.7 pl, With Variable-Sized Droplet Technology |
| Ink Technology | DURABrite™ Pro |

PRINT

| | |
|--|--|
| First Page Out | Monochrome 7 Seconds, Colour 7 Seconds |
| Printing Speed ISO/IEC 24734 | 24 pages/min Monochrome, 24 pages/min Colour |
| Duplex Printing Speed ISO/IEC 24734 | 16 A4 pages/min Monochrome, 16 A4 pages/min Colour |
| Printing Speed ISO/IEC 24734 (A3) | 13 pages/min Monochrome, 13 pages/min Colour |
| Duplex Printing Speed ISO/IEC 24734 (A3) | 11 A4 pages/min Monochrome, 11 A4 pages/min Colour |
| Maximum Printing Speed | 34 pages/min Colour (plain paper), 34 pages/min Monochrome (plain paper) |
| Printing Resolution | 4,800 x 1,200 dpi |
| Max Duty cycle | 65,000 pages per month |
| Colours | Black, Cyan, Yellow, Magenta |
