

Name: **Magnetic Light Cold White for Rack Cabinets**
Manufacturer: **Techly Professional**

- LED lamp with magnetic attack and IR sensor
- magnetic light unit for rack enclosure
- LED light color: cool white
- Light source: LED SMD2835
- Trigger modes: automatic sensor or ON / OFF button
- Sensing distance: 4-5 cm
- Power connector on both sides
- Voltage: 100-240 V
- Input frequency: 50/60 Hz
- Operating voltage: 12V DC
- Power: 3W
- Plug: CEE 7/16 (type C) Euro plug, with 3m cable
- DC LED Input Connector: 3.5 x 1.35 x 8.5 mm
- Maximum current consumption: 25 mA at 100-240 V
- Luminous flux: 211 lm
- Light source: 12 x 2835 6500K LED
- consumption in kWh / 1000H: 3 kWh
- Lifetime: 25,000 hours
- Material: plastic and aluminum

Dimensions

- Length: 325 mm
- Width: 25 mm
- Depth: 13.5 mm

Power supply

- AC 220-240V 50 / 60Hz 0.1A
- Cable length: 3m

Certifications

- EC
- RoHS
- WEEE

Package Contents

- 1x Light Rack with magnet
- 1x Power supply
- 2x Mounting brackets with screws
