

HP Audio Module

Designed exclusively for the HP Elite Slice

Crystal-clear audio for meetings, media, and more.

Convert your HP Elite Slice into a speakerphone or a multimedia player with the HP Audio Module. Meetings, video, and music come to life with impeccable sound and clarity, custom-tuned in collaboration with audio experts at Bang & Olufsen.

Pitch perfect

Experience 360° immersive stereo sound and collaborate from across the room with bi-directional HP Noise Cancellation, a dual-microphone array with far-field 5-meter range, three speakers, and HP Audio Boost.

No cabling or screws required

Snap the Module beneath your HP Elite Slice with a sturdy USB-type¹ connection that provides a simple and clean solution with no messy cables.

Complete, compact collaboration

Focus on your meeting instead of unsightly cables when you combine your HP Elite Slice with the HP Audio Module and the touch-enabled HP Collaboration Cover²—each perfect piece designed to fit the other.

Lock it down

Securing your solution is simpler than ever with an integrated universal lock slot that allows you to lock your Module and HP Elite Slice together with one cable lock.³

Mix and match

Create a unique solution for each of your employees when you use the HP Audio Module stacked with your HP Elite Slice and any of the other HP Elite Slice accessories.³

1. Connector can only be used to connect HP Elite Slice modules.

2. HP Elite Slice Covers require factory configuration and cannot be used with other HP Elite Slice Covers.

3. Sold separately.

Specifications

HP Audio Module

Model Number	X8U72AA
