HP 3005pr USB3 Port Replicator

Universal expansion and productivity

Get online and get to work, fast, with the HP 3005pr USB3 Port Replicator, which delivers device, display, and network connectivity to your Windows® or Chromebook™ notebook with one USB 3.0 cable connection—no reboot required!

USB-enabled connectivity
Keep up to six of your most frequently-used USB devices like external storage, keyboard, mouse or optical drive plugged into the replicator so they're ready to use at a moment's notice. The included power cord keeps the replicator charged and ready.

Expand your view
Connect to up to two external displays with HDMI and DisplayPort™ ports.

High-speed networking and collaboration
Access your corporate network with an RJ-45 port. Enjoy seamless web conferencing with a combo headphone and microphone input that supports a headset and microphone capabilities on the connected notebook (if available).

Easy setup
Connect the included USB 3.0 cable to your device's USB port, or connect to its USB-C™ port with the included USB-C™ adapter (power not supported through the USB-C™ adapter). Onboard memory installs software without rebooting your device.

Rest easy
Get the reassurance of a one-year limited warranty.
