

Security Filter 4-way adhesive for Lenovo Thinkpad Helix 2

Key Features

- Made from high quality materials
- Offers protection from 4 viewing angles - left, right, top and bottom
- Anti-glare material minimises reflections on your screen
- Smooth touch coating
- Dirt repellent material makes stains and fingerprints easy to remove
- Works with Touchscreens

A Security Filter from Origin Storage helps provide protection against shoulder surfers and visual hackers viewing your confidential and sensitive information on your computer screen.

With a Security Filter from Origin the intended users view of the screen remains crystal clear whilst people viewing the screen from the sides see only a dark screen, almost as if the screen is turned off, preventing them seeing your information.

Designed to be easy to fit the Origin Storage Security Filter is quick and simple to attach to your screen.
