HS 246 HFB HOME AND OFFICE

Black hot from every angle!

The HS246HFB offers stand out design for those looking to furnish an ultra-modern office space or for fashion conscious tech lovers.

With its unique frameless design, rounded base and single arm support the HS246HFB achieves minimalism whilst the glossy black coating illuminates a high shine for a truly modern look.

Design is considered 360° - a reflection of our ability to consider eye popping desk appeal as well as high level visual technology - so there is no need to put this baby in the corner!
