The NewStar FPMA-CH100BLACK is a cubical mount to hang a flat screen monitor over a table divider or partition wall.

This mount is suited for screens up to 30", has a weight load capacity of 8 kg and fits VESA hole patterns of 75x75 mm and 100x100 mm.

NewStar's 360° rotation function allows both landscape as portrait use. The mount is manually height adjustable from 12 to 30 cm. The mount can be mounted on walls with a minimum thickness of 1,7 cm and a maximum thickness of 8,9 cm.

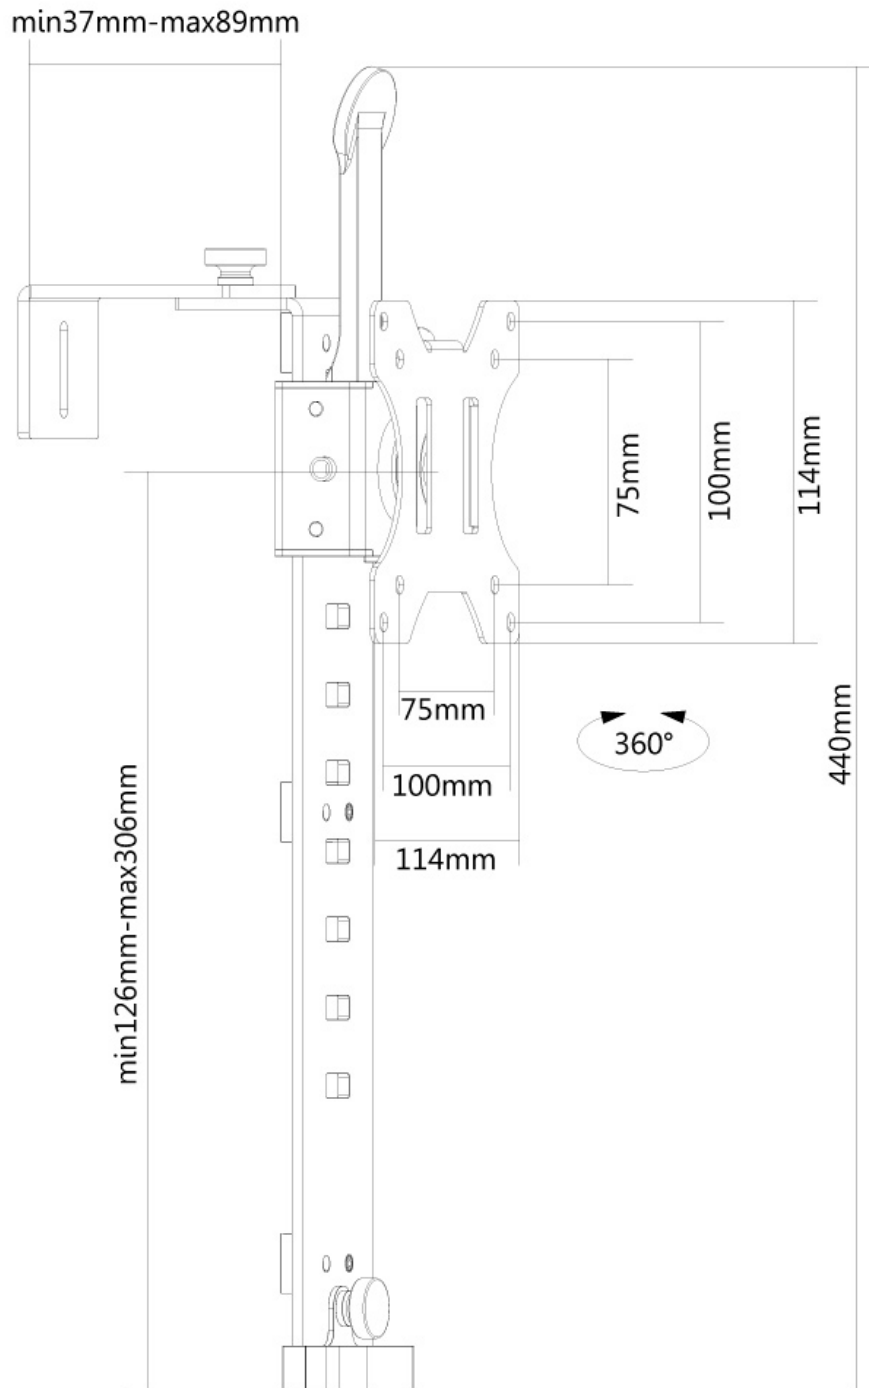

Another feature on this model is the quick release function, which allows you to de-attach the screen instantly.

All installation material is included with the product.
