HP ElitePOS Serial/USB Thermal Printer

Redefine your perception of retail printing with the HP ElitePOS Serial USB Thermal Printer, an eye-catching, compact, cubist printer designed to dazzle alongside your HP ElitePOS at the point of sale.

Keep your customers moving

Print quickly with 114 mm per second print speed and 8 MB of integrated memory. Add your logo, special offers or coupons to receipts with 203 DPI and fonts that include Unicode, Arabic, and Asian.

Flexible connectivity

Connect to your retail system with an optional USB, PUSB or Serial cable kit (sold separately), and drive up to two optional cash drawers through connections on the printer.

Retail ready

Place the ultra-compact printer where you need it with the assurance that it can withstand the everyday wear and tear of retail environments.

Supported by HP

Rest easy that your IT investment is supported by a three-year standard limited warranty.
