# Highlights

## Built-in desktop stand

The integrated desktop stand on the back of the case allows convenient, hands-free video viewing on any flat surface.

## Quick and easy to dock

This case features a removable bottom section that allows you to quickly and easily dock your device while it remains protected in the rest of the case.

## Total access to iPhone

The openings on this case allow total access to all iPhone controls, dock connector and camera, so you can fully utilize iPhone while it's protected inside the case.
