

HP Stream 11 Pro G4 EE Notebook PC

A durable cloud-based classwork companion

Engage your students and keep them connected to applications, curriculum, educators, and each other, wherever they work best, with the sturdy Windows-based HP Stream 11 Pro Education Edition.

HP recommends Windows 10 Pro.

Stay on task in class and on the cloud

- Enable students to access assignments and projects online with Microsoft Office 365¹ and OneDrive storage², or easily swap to local files and Windows applications with an SSD up to 128 GB and SD card slot for additional storage.

Connect and collaborate

- Bring new life to collaborative classwork and studying with an 29.46 cm (11.6") diagonal HD screen, VGA webcam for lifelike video calls, and stereo sound for crystal clear audio. Integrated 2x2 802.11ac³ wireless helps ensure connectivity in large spaces.

Built to go beyond the classroom

- Explore and learn in class and on the go with a durable, lightweight device that's just 18.0mm thin and starts at <1.3kg. It's designed to pass MIL-STD 810G testing⁴ and is ready for daily bumps and dings with co-molded rubber edges.
- Get an OS your teachers and students know how to use plus critical management features and local and cloud-based application support that your IT staff already understand with Windows 10 S and Windows 10 Pro.⁵
- Be productive with touch and tap access to a world of online and local apps on the optional UWVA 29.46 cm (11.6") diagonal HD touchscreen.⁶
- Meet and exceed the global requirements of learners with HP School Pack⁷, an out-of-the box solution of digital tools and content designed for collaborative, standards-aligned, and personalized learning.
- Help keep student data private on the device with integrated TPM 2.0 and the latest Windows BitLocker drive encryption.
- Rest easy with support you can trust and keep everything running smoothly with HP's world-class one-year limited warranty. Extend your protection with an optional HP Care service.⁸

HP Stream 11 Pro G4 EE Notebook PC

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely.
Product number: UQ992E

HP Stream 11 Pro G4 EE Notebook PC

HP recommends Windows 10 Pro.

Messaging Footnotes

¹ Qualifying schools may be eligible for free Office 365 Education directly from Microsoft. Please contact your Microsoft account representative for details. Not preinstalled or preloaded on the PC.

² Unlimited OneDrive storage for subscriptions of five or more users. Microsoft will provide initial 5 TB of OneDrive storage per user. Customers who want additional OneDrive storage can request it as needed by contacting Microsoft support. Subscriptions for less than five users receive 1 TB OneDrive storage per user. The OneDrive for Business sync client is available with Office 2016 or with Office 365 subscriptions that include Office 2016 applications. If you don't have Office 2016, a free download of the OneDrive for Business sync client is also available.

³ The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

⁴ MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

⁵ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

⁶ Available on select models.

⁷ Available on Windows 10 Pro configurations.

⁸ HP Care services sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical specifications disclaimers

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com/>.

² Windows 10 S works exclusively with apps from the Windows Store. Some accessories and apps compatible with Windows 10 may not work, and performance may vary. Certain default settings, features, and apps cannot be changed. Easily switch to Windows 10 Pro configuration (fee applies). Learn more at Microsoft.com/Windows10S.

³ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁴ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.

⁵ For storage drives, GB = 1 billion bytes, TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

⁶ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

⁷ HDMI 1.4b cable sold separately.

⁸ HD content required to view HD images.

⁹ Resolutions are dependent upon monitor capability, and resolution and color depth settings.

¹⁰ Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

¹¹ HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

¹² EPEAT® registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country. Search keyword generator on HP's 3rd party option store for solar generator accessories at www.hp.com/go/options.

¹³ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

¹⁴ Internet access required.

¹⁵ HP Support Assistant requires Windows and Internet Access.

¹⁶ HP ePrint Drive requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter). Print times and connection speeds may vary.
