

KXT102

NEWSTAR KEYBOARD & MOUSE EXTENSION

The KXT102 is a PS/2 extension cable to enlarge the distance between your keyboard/mouse and PC with 2 meters.

This 2 meter PS/2 Keyboard/Mouse extension cable features a 6 DIN male connector and a 6 DIN female connector, allowing you to extend the connection distance between a PS/2 mouse or keyboard and the host computer by up to 2 meter.

The extension cable offers a cost-effective and convenient way to connect PS/2 peripherals at longer distances than would typically be possible, allowing you to position peripherals as needed, without the hassle of connection length limitations.
