

C3C

SEAMLESSLY CONNECT TO YOUR OUTDOOR PROPERTY

With the C3C you always enjoy peace of mind. The C3C is an outdoor PoE camera that lets you control your garden, your parking, or your entrance when you're not there. Who drives up your driveway? Who rings the bell? What's going on in the garden? Just check the app on your smartphone, wherever you are, whenever you want.

CHOOSE YOUR FOCUS

The C3C comes in two versions. The 2.8 mm is ideal for wide angles and low magnification, and the 4 mm for narrow angles and high magnification.

HIGHLIGHTS

HD resolution

Instant alerts
Your mobile keeps you up-to-date

Weatherproof
Always secure, come rain or shine

Easy-to-use app
Crisp layout, user-friendly features

ABOUT EZVIZ

EZVIZ helps you app your life. Right from the palm your hand, you connect visually to your home or your work. Welcome to the smart home and business!

FEATURES

ALWAYS CONNECTED. ALWAYS SAFE.

The C3C outdoor camera has 24/7 HD live streaming. Don't miss a moment of what's happening. Check the app whenever you want.

SMALL LENS, BIG VISION

The 114° or 94° angle allows you to get a wide view. It feels as if you're physically there.

DESIGNED FOR ALL WEATHER

The C3C has an IP66 rating. It's dustproof, waterproof and designed to work in temperatures ranging from -30°C to 60°C.

SEE WHAT'S HAPPENING, EVEN IN THE DARK

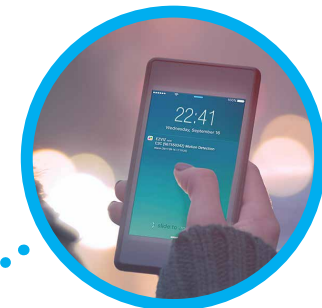

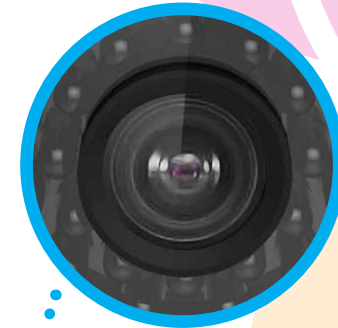

The camera automatically switches to night vision when it's dark. It has a range of up to 30 metres. You can effortlessly check the surroundings or your store, your parking, or your garden.

CLEAR VIDEOS, CLEAR IMAGES

Thanks to the 120db WDR support, you always get crisp, clear images and videos. WDR stands for Wide Dynamic Range. It makes overexposed parts darker and underexposed parts lighter, for an optimal light balance.

ALWAYS UP-TO-DATE

Whenever movement is detected, you get an instant notification via the app. Know what's happening when it's happening.

FEATURES

WHEREVER YOU NEED IT

The C3C is easy to install. Thanks to the mounting kit for walls and ceilings you can install it on anywhere you want or need.

CHOOSE YOUR FOCUS

The C3C comes in two versions. The 2.8 mm is ideal for wide angles and low magnification, and the 4 mm for narrow angles and high magnification.

STORE AND SHARE IMPORTANT MOMENTS

The camera has an integrated micro SD card slot that supports up to 128 GB of storage (card not included). You can also store the pictures and videos on the EZVIZ NVR X3 video recorder.

INTEGRATED EZVIZ SOLUTION

All EZVIZ cameras are ready for the smart home. You can for instance connect the C3C with your nearby EZVIZ door or window sensor. All-round security at your fingertips.

ONE APP DOES ALL THE WORK

With the easy-to-use EZVIZ app, you can view up to four live video streams at the same time. You can connect all your EZVIZ security devices on one and the same app.

SPECIFICATIONS
