

THINCLIENT-200

NEWSTAR THIN CLIENT MOUNT

Newstar Thin Client Holder (attach between monitor and mount) - Black

The NewStar thin client mount, model THINCLIENT-200, allows you to mount a thin client computer to a monitor mount. A thin client mount creates a neat and clean desk because its stored behind the monitor and doesn't use any valuable desk space. Increase the lifetime of your computer due to reduced intake of dust and dirt. Keep the workplace clean without computers on the desk.

This NewStar thin client mount allows vertical installation of thin client computer between the screen and monitor mount. This product includes VESA50, VESA75, VESA100 and VESA200 hole pattern to simplify installation with flat screens and flat screen mounts. Hide your cables and keep the workplace nice and tidy.

Easy to adjust in width and depth to fit most thin client PCs. The specifications listed show maximum and minimum width and depth of the mount.

All installation material is included with the product.
