

Space NC

Pure music, effortless control

GEAR PATROL

"The Anker Soundcore Space NCs are some of the most comfortable over-ear headphones that I've ever worn. They have a killer battery life."

— Gear Patrol

Hybrid Active Noise-Cancellation

Reduces low-frequency sound by up to 93%.

Long-Haul Listening

20-hour playtime in wireless noise-cancelling mode is extended to 50 hours in wired noise-cancelling mode.

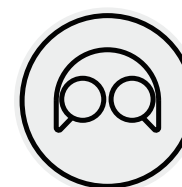

Touch Control

Conveniently control music with the on-ear touch pad.

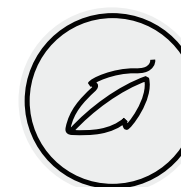

Hi-Res Audio

Customized 40 mm drivers deliver professionally-tuned audio.

Foldable Design

Fold flat for safe storage or to transport in the hard-shell travel case.

Superior Comfort

Memory-foam ear-cups and headband adapt to the shape of your head.
