

Qualcomm®
aptX™

Stunning Sound

40 mm drivers power professionally-tuned audio with aptX high fidelity sound and Hi-Res audio compatibility.

Listen for Longer

20-hour playtime in wireless mode, or plug in the AUX cable for unlimited listening.

All-Day Comfort

The memory foam ear-cups and headband guarantee a secure and comfortable fit.

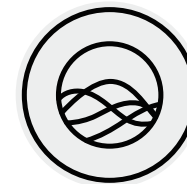

Vortex

Enhanced comfort and stunning sound

Foldable Design

Fold up for safe storage or to transport in the hard-shell travel case.

Crystal-Clear Calls

The built-in microphone with cVc noise cancellation provides exceptional quality calls.
