

Keyed Dual Head Cable Lock for Surface Pro and Surface Go

Next generation security for Microsoft Surface Pro and Surface Go

K66646WW

Product Description

Designed to fit the Kensington Security Slot™ as well as the Microsoft Surface Pro and Surface Go, the Dual Head Cable Lock for Surface Pro and Surface Go was designed in partnership with Microsoft specifically for Surface Pro and Surface Go.

Features

- Exclusively designed for Surface™ Pro [not compatible with Surface™ Pro X] and Surface™ Go to provide professional-level security and superior device engagement.
- Tough lock head exclusively designed for Surface Pro and Surface Go in partnership with Microsoft attaches to the kickstand of the Surface Pro and Surface Go for uncompromised security
- MicroSaver 2.0 secondary lock head with T-Bar locking
- Hidden Pin™ technology is compatible across all of Kensington's latest locks and includes patented anti-pick technology, all part of our robust 5mm custom key management solutions that include Master Keyed (K66647M), Supervisor Keyed (K66647S) and Like Keyed (K66647L) options
- Carbon steel cable resists and deters cutting attempts
- Pivot and rotate cable provides superior laptop engagement
- Verified and tested for industry-leading standards in torque/pull, foreign implements, lock life cycle, corrosion, key strength and other environmental conditions
- Register & Retrieve™ program offers free and secure cloud-based key replacement
