

## FEATURES

### MSI Graphics

Armed with MSI breathtaking graphics card for the best in game performance.

### Silent Storm Cooling

Exclusive, silent and powerful cooling system that embraces several separated chambers for component cooling.

### Mystic Light

Make your build look on fire or cold as ice. You are in control. Customize colors and effects with RGB LED.

### Easy to upgrade

Easy to access and upgrade components to keep the system up to date with the latest hardware.

### Easy to carry

We designed our Gaming Desktop to be taken anywhere. So wherever your gaming den is, you can easily carry this Gaming Desktop there.

### Vertical graphics with steel armor

Vertical placed graphics card to prevent bending of the card or damage to the PCI Express slot during transport.

### Audio Boost 3

Hear new details that maintain the upper-hand in competitive FPS matches where every bit of sound counts.
