

Glass+ VisionGuard™

Protect Your Eyes-and Your Phone
Designed for Google Pixel 3 and Pixel 3 XL

Protect your eyes from harmful blue light

- **VisionGuard for Healthy Eyes:** Filter harmful high-energy visible (HEV) blue light from your device screen with a protective Eyesafe® layer.
- **True Colour:** The Eyesafe layer filters harmful blue light while maintaining the superior colour performance of your device display.
- **Powerful Impact Protection:** Proprietary Ion Matrix™ technology strengthens at the molecular level and preserves the glass-like feel of your screen protection.
- **Scratch Prevention:** A precision surface finishing process provides maximum scratch resistance.
- **Smudge Resistant:** A long-lasting, oil-resistant finish prevents fingerprints from accumulating and helps keep your screen looking pristine.
- **Smooth, Silky Feel:** The premium composition of this smooth tempered glass has remarkable touch sensitivity and 100% clarity.
- **Strength and Style:** The reinforced, bevelled edges of Glass+ make it seem to disappear into your screen.
- **Easy Application:** EZ Apply® tabs and tray make applying your Glass+ simple and accurate.

| Product Name | SKU | MSRP | Samples | Launch Date |
