The NewStar floor stand, model NS-FS100BLACK is a floor stand for flat screens up to 55". This stand is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location with the NewStar's versatile tilt (30°) technology. The mount is manually height adjustable from 75 to 124 centimetres.

NewStar NS-FS100BLACK is suitable for screens up to 55" (140 cm). The weight capacity of this product is 20 kg each screen. The stand is suitable for screens that meet VESA hole pattern 75x75 to 400x400mm.

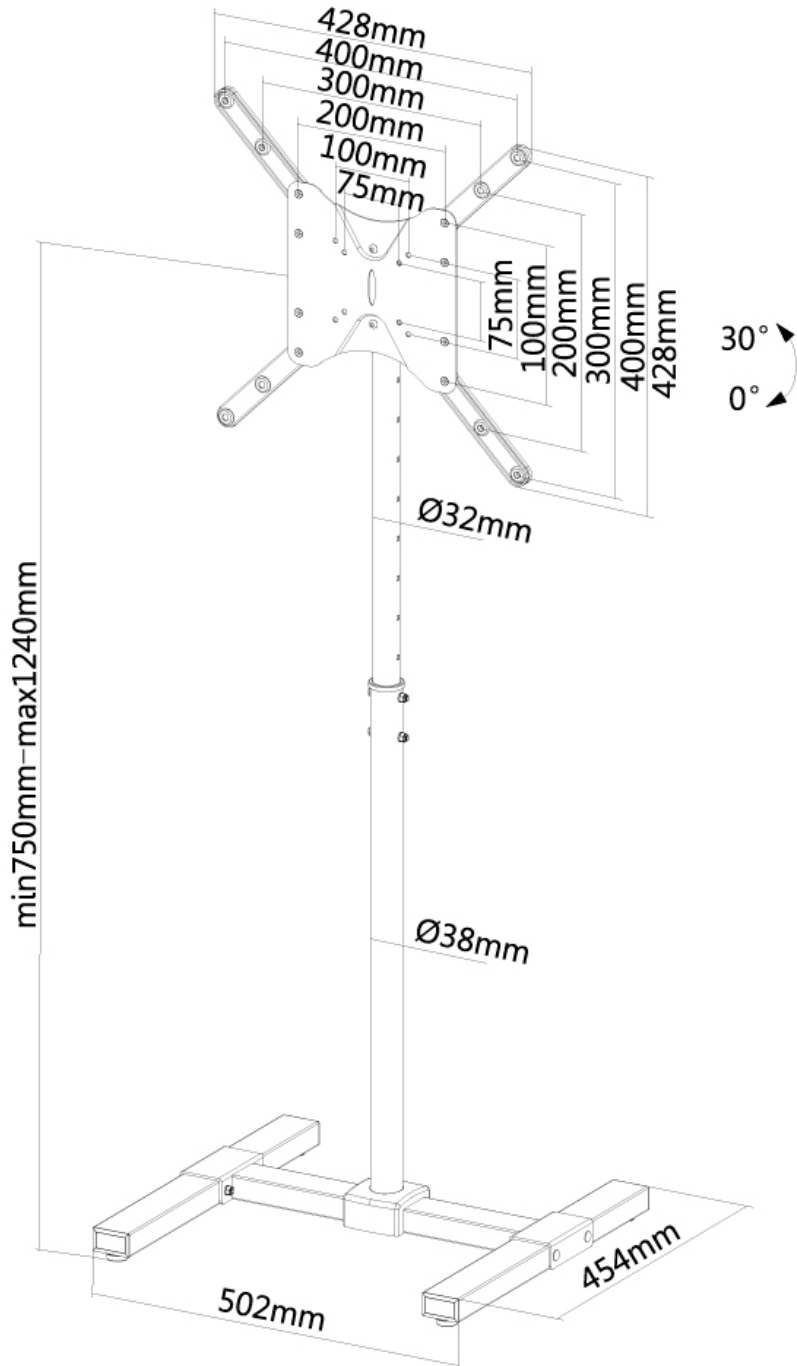

All installation material is included with the product.
